

OURF Parking will be held in Lot D, with overflow parking available in Lot 2 and 3. There will be signage to indicate Lot locations. Please see the campus [map](#) for reference.

Parking is free for OURF guests, however, parking **will need to be validated through Honk Mobile to prevent unnecessary ticketing**. QR Codes are posted on signage within Lot D which will direct you to the guest checkout, where the **promo code** can be entered to claim your free parking pass. Alternatively, you can claim your guest parking pass through the [website](#) or by downloading the Honk Mobile App, creating an account, and entering the provided Promo Code at checkout.

Please visit one of our locations or contact us by phone or email for more information or for assistance with this process.
